BUILDING SCHEDULING FORMS

We are so blessed to have nice facilities to use for our ministry work and a building team that does an amazing job prepping, cleaning, and maintaining our space. We also love being a good neighbor for organizations and groups in our community that need a place for their activities. More people and groups are using the buildings here than ever before, so we are revamping our scheduling process a bit to help us manage the growing demand.

In short, if you would like to request a room in the building(s) for an activity, we'd like you to fill out an online form as the first step. And if you specifically want to request gym time for team practices, we have a separate online form for that. Once you fill out one of these forms, scheduling manager Kenzi Verner will get back to you to confirm or work with you on the reservation.

- Go to *mrcc.org/buildingreservation* to request space for an activity or event
- Go to *mrcc.org/teampractice* to request gym space for team practice

Thank you for helping us out by using this process. You can still contact mackenzi.verner@mrcc.org with any questions.

SERMON INFO

On Sunday morning, we will have a sp ecial service to install our new shepherding couples. In addition, Phil will continue our series ***Love Your Neighbor*** with a message called *Sharing 101*. Phil will pick up where he left off last week in Luke 10 and share a few practical ideas about how to share faith with others.

Would you like to be a hero? Of course, you would! You can be; just live like the faithful men and women mentioned in Hebrews 11, individuals who not only pleased God but were commended by Him. Join us tonight as we begin a two-part look at *Heroes Like Us*.
