SERMON INFO

BELIEVE IN ME

A ROADMAP FOR RESILIENT FAITH

Sunday Morning

Faith isn't meant to be a fragile line of dominos where one doubt makes everything collapse. At the center of Christianity is a single, weight-bearing truth: the resurrection of Jesus. If it didn't happen, then faith falls apart, but if it did, it changes everything. Christianity isn't just a list of beliefs to hold; it is shaped by the reality that **Jesus is Alive**.

Christian Challenges

Sunday Evening

Our Christian challenge this week is **Waiting on God**. So often, we make our plans, ask for God's blessing, and expect Him to respond right away. But His timing rarely matches ours. He moves at the right time, not on our schedule. And if we're honest, that can be hard to accept. Tonight, we'll explore what it means to trust God's timing and how we can faithfully wait while He works in ways we may not yet see.
